

Xtra Dscale

Appliance Descaler

CONTAINS BIO-DEGRADABLE INGREDIENTS

1 Litre

A powerful descaling solution, XtraDscale Appliance Descaler is expertly formulated for the heavy-duty removal of stubborn limescale from kettles, coffee machines, irons and more. Perfect for both stainless steel and chrome appliances.

Directions: Dilution: Mix 1 part descaling solution with 20 parts water.

Application: Pour the solution into the appliance. For optimal results, heat to 50°C.

Soak: Allow the solution to work until all limescale is dissolved.

Rinse: Thoroughly rinse the appliance with clean water to ensure no residue remains.

Repeat if Necessary: For tough buildup, repeat the process and rinse again.

For Heavy duty Descaling – Use Neat

Causes severe skin burns/eye damage. Wear protective gloves/clothing/eye protection.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water.

IF IN EYES: Rinse cautiously with water for several minutes.

Immediately call a POISON CENTRE or doctor/physician.

Contains (amongst other ingredients):

Less than 5% Phosphoric Acid, Non-Ionic Surfactants.
